

**441—23.5(225C,84GA,SF2315) Allocation of transition funds.** The department shall allocate funds to eligible counties consistent with legislative appropriations. If the amount appropriated by the legislature for transition funds is insufficient to provide for the full cost recommended by the department, and the legislation does not state anything to the contrary, the department shall distribute funds based on the following priorities:

1. Individuals in the target population whose income is equal to or less than 150 percent of the federal poverty level.
2. Individuals in the target population whose income is greater than 150 percent of the federal poverty level.
3. Individuals with a disability other than the target population whose income is equal to or less than 150 percent of the federal poverty level.
4. Individuals with a disability other than the target population whose income is greater than 150 percent of the federal poverty level.
